Woggle Making Fleur De Lys Woggle

Scouts can craft their own fleur-de-lys woggle with a few pieces of craft foam. This makes a great activity for the entire pack or troop, especially if there's a special scouting occasion to celebrate.

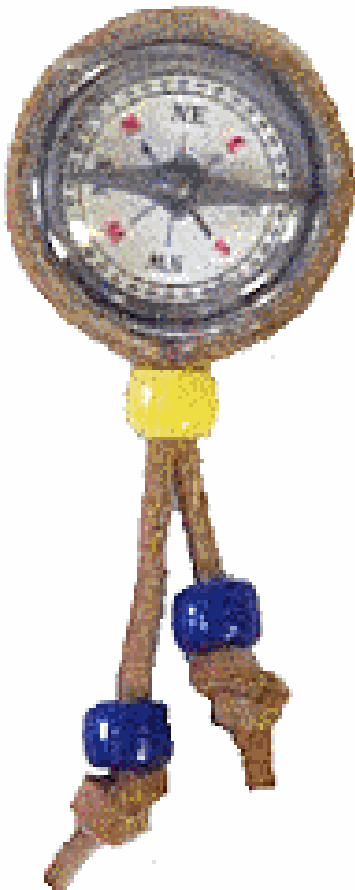

What you'll need:

- Yellow craft foam fleur-de-lys shape
- Blue craft foam fleur-de-lys shape in smaller size
- Hole punch
- Wire cutters
- Blue pipe cleaner rod

How to make it:

- Punch two holes in the yellow fleur-de-lys shape
- Punch two holes to line up with the yellow shape on the blue fleur-de-lys.
- Lay the blue shape on top of the yellow shape, matching holes up.
- Insert the pipe cleaner through the holes and entwine to form a loop.

Compass Woggle

What you'll need:

- Toy compass
- 10'' cord or thin rope
- Glue gun
- Coloured beads [you may wish to choose the colours of your group's scarf]
- Plastic Woggle any colour or a small section of a pipe

How to make it:

- Glue the cord all around the compass as shown in the picture
- Leave both ends hanging from the compass.
- Cut ends into a point to make stringing beads easier.
- Slide both ends into one bead and push it all the way to the compass.
- String one bead onto each end. Tie knot to secure them so they will not fall off.
- Hot glue the plastic woggle or the small section of pipe onto the back of compass.

Songs

Beaver Leaders' Trail Song

(Tune: it's a small world)

It's a world of fun, it's a world of joy
And a smile comes easy to every child
Things that we've learned today,
Lead along ok leaders' way.
We are Beavers after all.

Chorus:

We are Beavers after all,
To all Beavers send the call
Show our leaders we stand all,
We are Beavers after all

When we seek our guest, we will do our best
On our leaders' trail, we will never fail.
Without any doubts,
Without any doubts
We will be loyal Scouts
We are Beavers after all.

Chorus:

We are Beavers after all,
To all Beavers send the call
Show our leaders we stand all,
We are Beavers after all
