VISITS

*Garden tools needed
to plant flowers
or trees*

Planting seeds

What you will need:

- Posters of Sunflower potting procedure [template in following page]
- Pair of disposable gloves [for both Beavers and Leaders]
- A small plant pot with watering plate for each Beaver scout
- A bag of peat
- Sunflower Seeds
- A small watering can [small enough for a beaver to hold in his hands]
- Table
- Broom and dust pan [to clean up afterwards]
- Small Tags
- Kebab Sticks

How to do it:

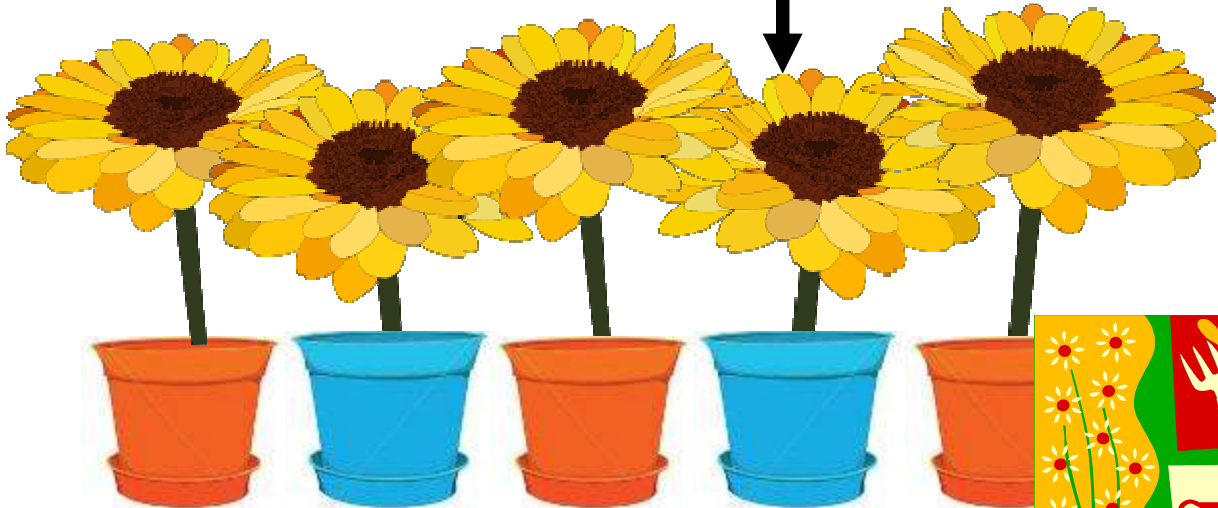

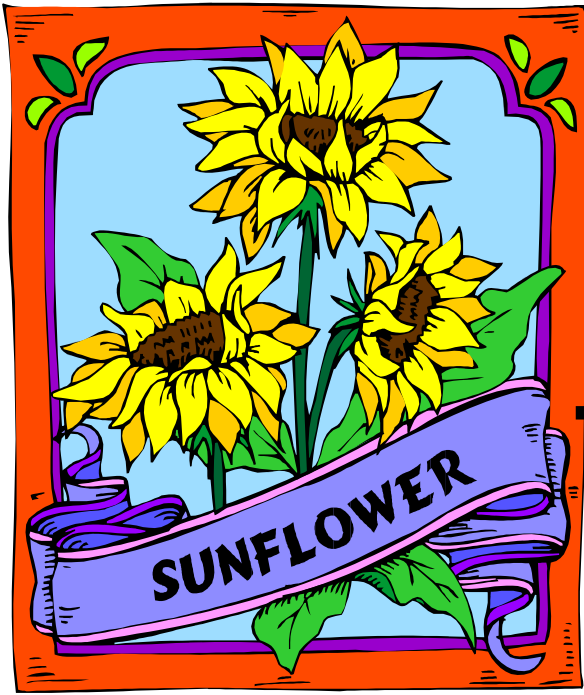

- Beavers sit down around a table.
- Beavers are given a short explanation on how to plant seeds and what is needed to do it.
- Each Beaver is given a pair of disposable gloves, a small pot and its watering plate
- Leaders help the Beavers to put peat in their pots.
- Beavers break down the clumps of peat in their pots.
- A small hole is dug in the middle of pot with their fingers and place a few sunflower seeds and cover them with soil.
- Then each Beaver waters his/her plant.
- Beavers write their name on a tag.

- Leaders assist Beavers to tape the name tags on kebab sticks and place them in the pots.

Planting Sunflower Seeds

Poppy

Building Keeo's Plant Shop

Since some localities do not have a Plant Store, then why not 'build' your very own plant shop at your own Head Quarters?? Here's what you need to do it:

Materials Needed:

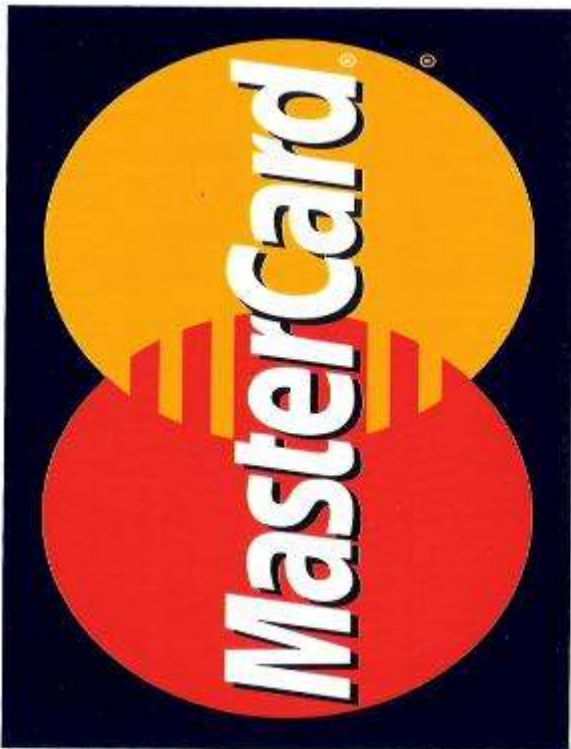

- Posters with the name of the shop
- Photocopies of €1 and €2 coins
- Table
- Photocopies of plants, trees and flowers to embellish the shop
- Any sort of equipment related to gardening to put on display – garden gloves, garden scissors, different sizes of planting pots, water can/s, flowers, boots, water hose, etc
- Cardboard Paper [for price tags]
- Shoe Boxes of Assorted Sizes [to build your cash register]
- Scissors, Glue & Tape
- Calculator Paper rolled and stuck through the 'cash register' to give out 'receipts'
- Tons and Tons of Imagination and Creativity

***For reference on how to set up a 'garden shop' at your own head quarters, please check out the picture below and on the following page.*

Garden Mobile

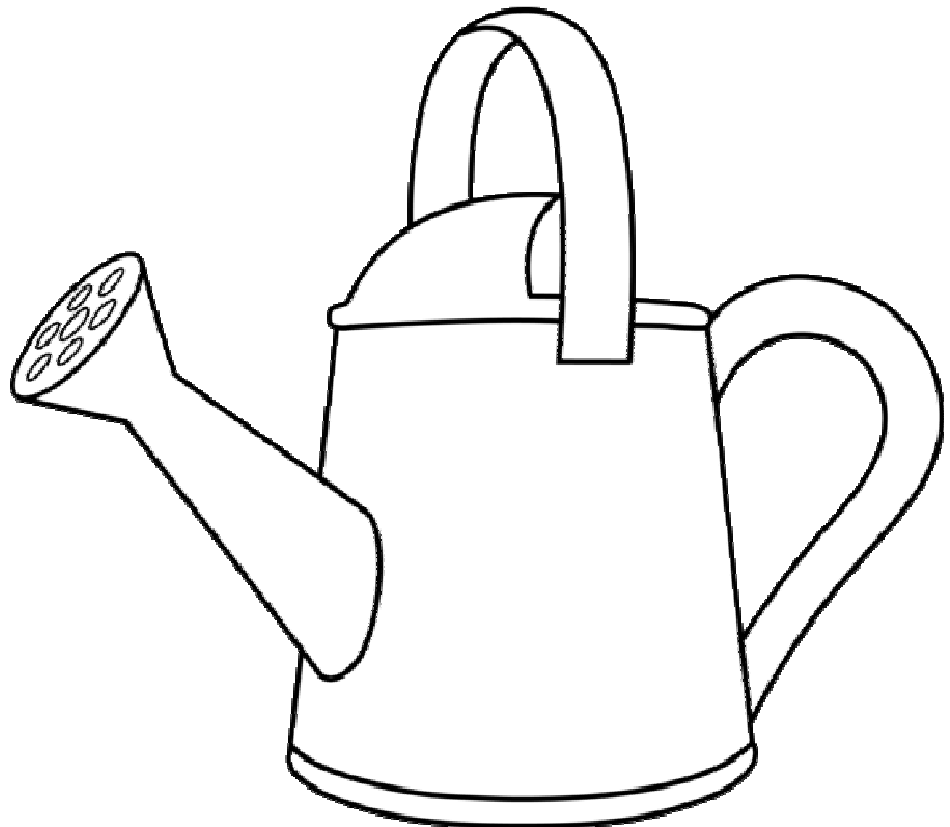

How to do it:

- Print copies of the templates on this page and the following
- Decorate with crayons, markers, cut out the shapes and glue them onto a piece of thin cardboard, for example a recycled file folder
- Punch a hole in the top using a hole puncher.
- Tie pieces of ribbon or yarn to each mobile piece at different lengths.
- Use the hole puncher to punch holes in a recycled plastic lid.
- Tie Strings to lid.
- Then hang up your mobile.

Crafting is GREEN

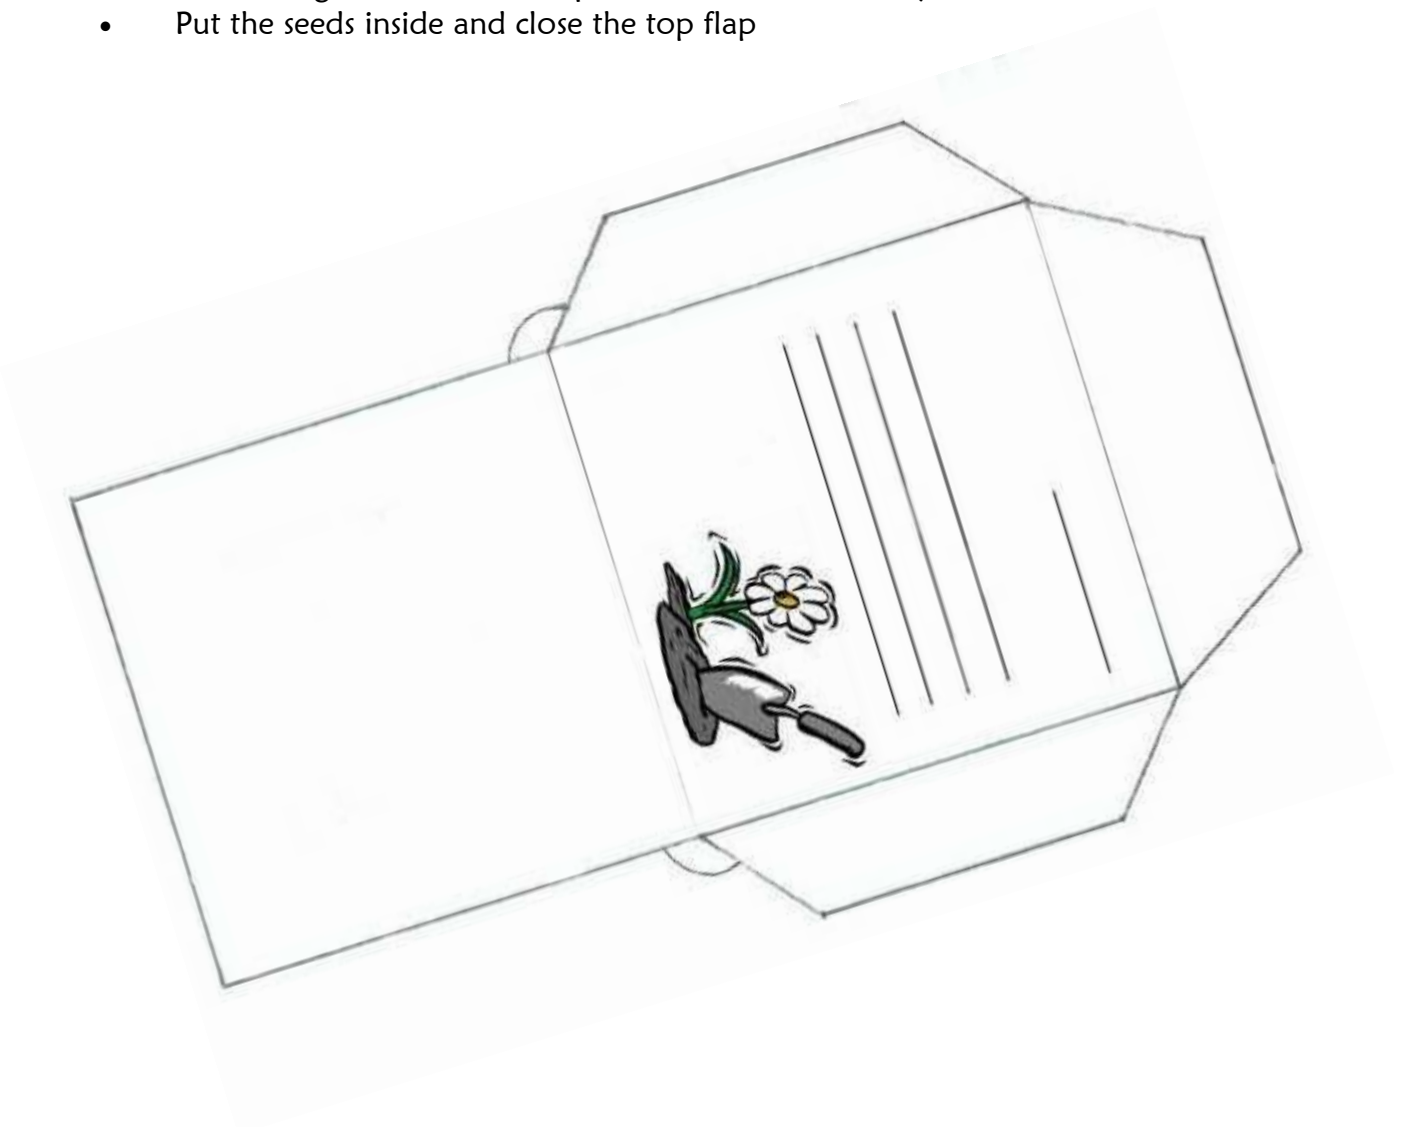

These customizable packets are perfect for putting seeds in. They can even be given as a gift. For example to someone who enjoys taking care of his/her garden.

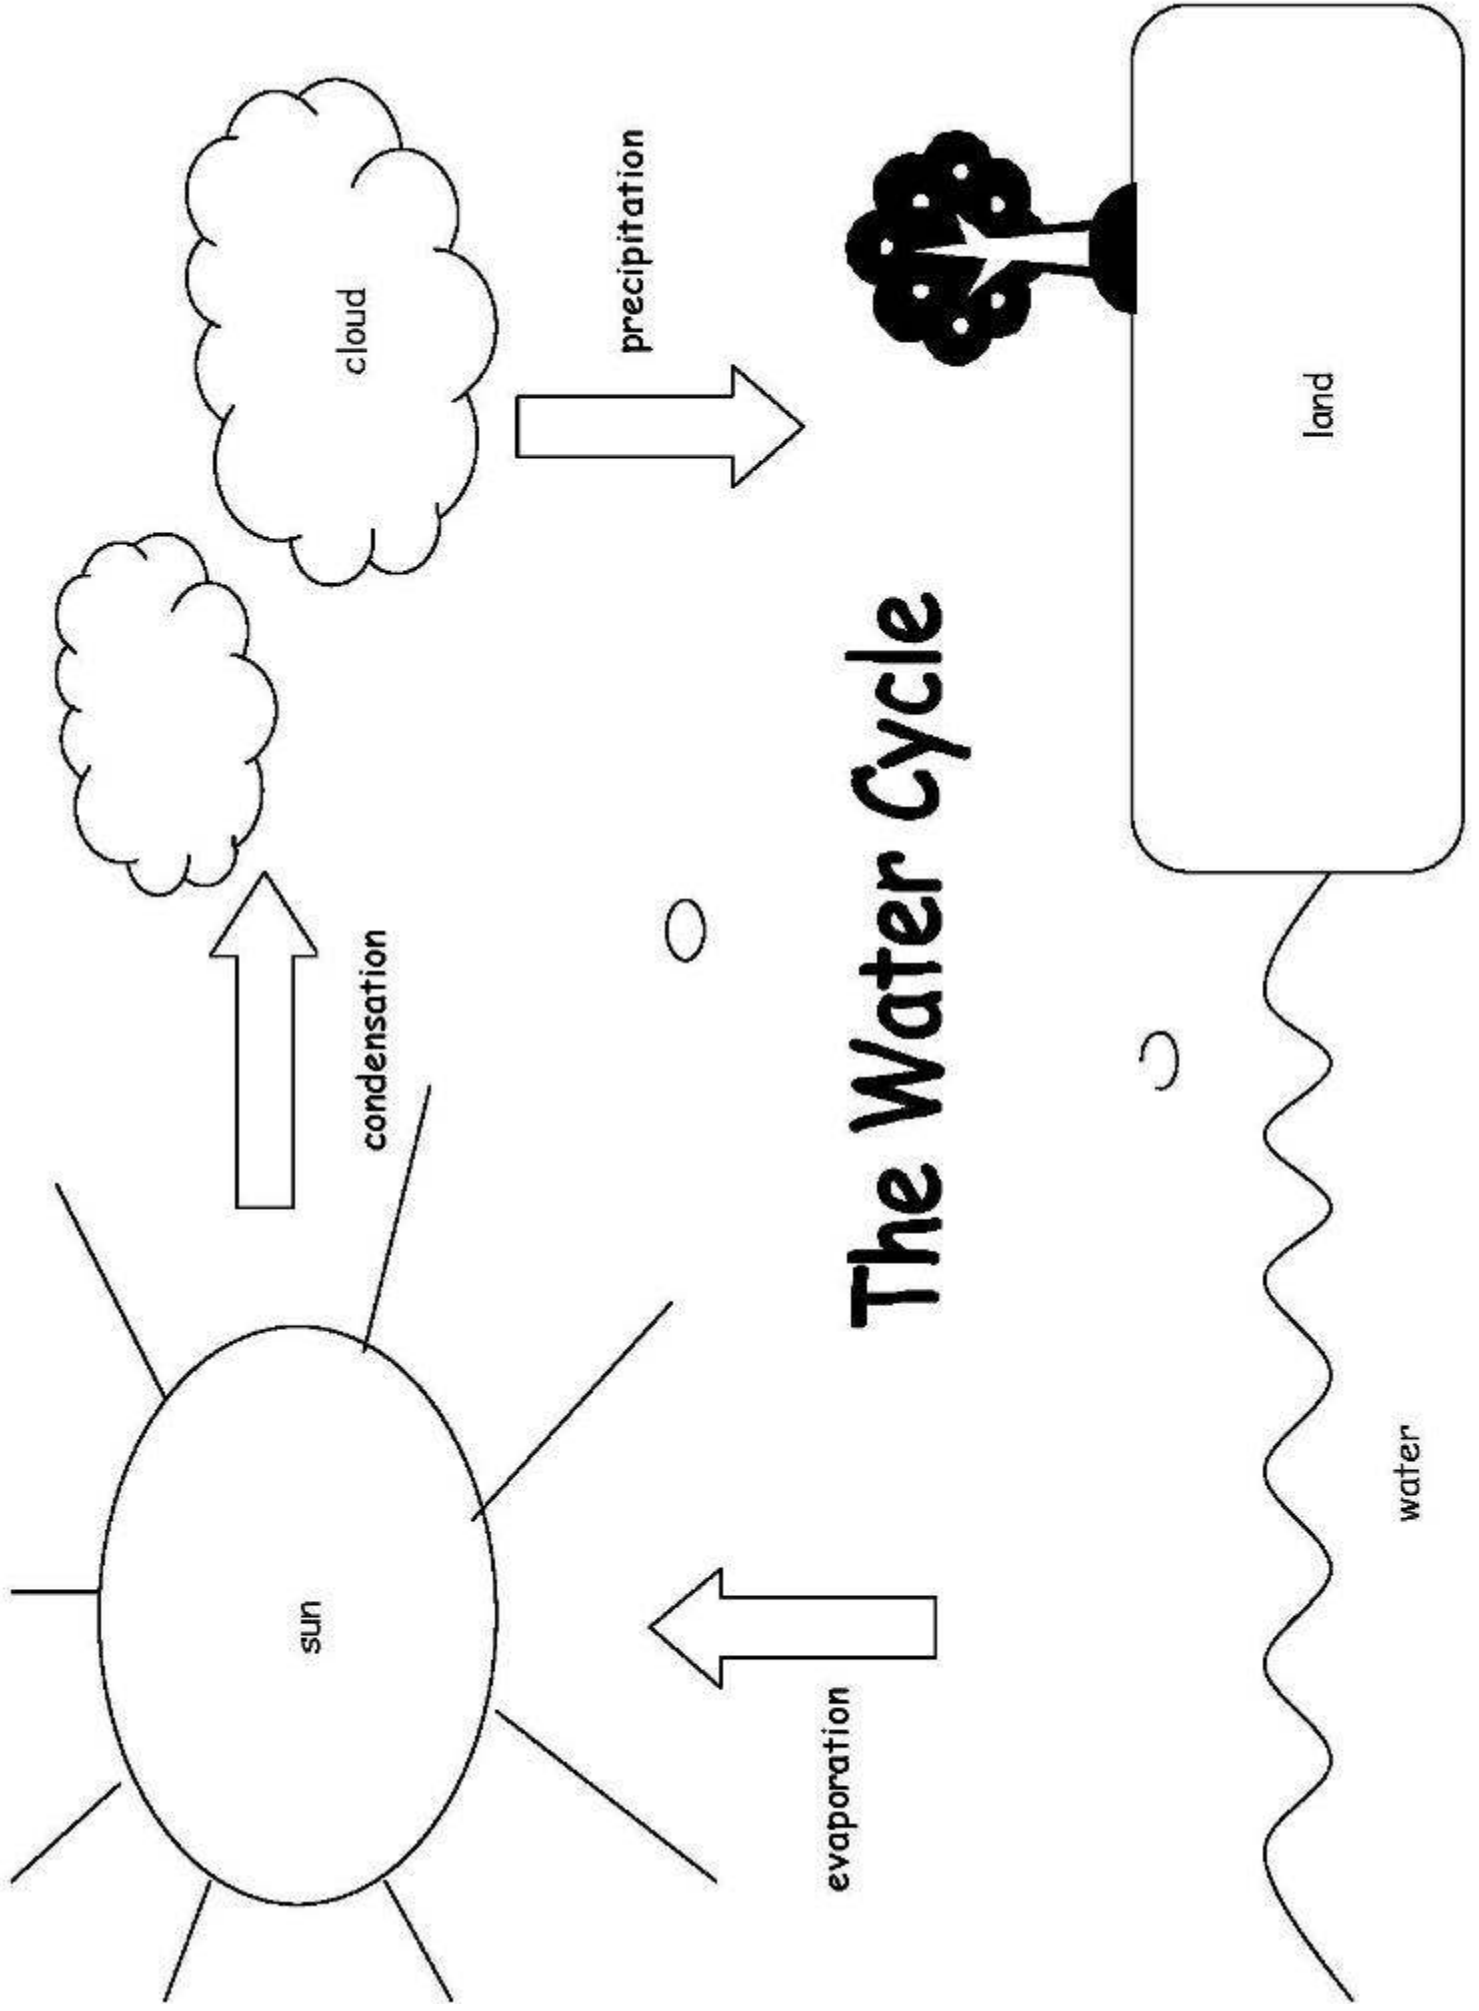

What you will need:

- Scissors
- Glue
- Seeds

How to do it:

- Cut out the template of the seed packet
- Fold the side flaps and glue to back of packet
- Write down what type of seeds are inside
- List the instructions on how to grow the seeds
- If this is a gift—decorate the packet with markers, crayons, etc
- Put the seeds inside and close the top flap

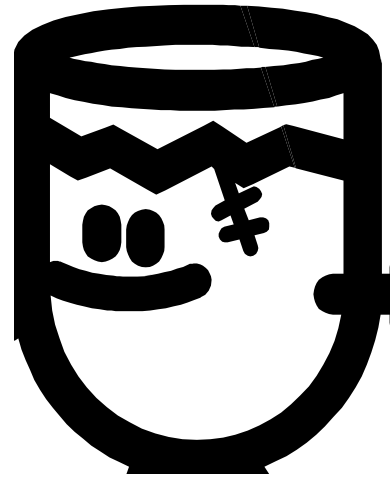

The Water Cycle

Green Haired Monsters

What you will need:

- 1 Carton Cup
- 2 Toothpicks
- 1 Potato
- Water

How to do it:

The Beavers draw the face of a monster on their cup and decorate the cup the way they like.

Toothpicks are stuck to the potato so that half of it stays in the cup and half of it is out of the cup.

With the help of the Beaver Scout Leader the Beavers fill up their cup with water.

Later on roots will come out of the side that is out of the cup. This will be the green hair of the monster growing.

Then you can decorate your monster such as this picture here shows.
